

(Established under Gujarat Private Universities Act, 2009)

THE BEGINNING

With the blessings of the Goddess Saraswati, Shree Monark Education Trust (SMET) being the sponsoring/promoting body of the Monark University was established in the year 2001 as a result of the vision of its founder Chairman, Shri Mohanbharthi R. Goswami - a farmer and philanthropist to promote world-class academic institutions.

The foundation of SMET is dedicated to national progress through educational institutions with learning in diverse fields and knowledge dissemination, which has initiated various educational activities with an aim to upgrade skills of manpower and meet industry needs, thereby contributing to the overall economic growth at state and national levels.

HIGHLIGHTS OF THE PROGRESSIVE GROWTH

MONARK UNIVERSITY

Monark University (MU) has been established, under Gujarat Private Universities Act, 2009 as amended from time to time, by its sponsoring body known as Shree Monark Education Trust. The integrated campus of the University is in the proximity of Ahmedabad City. The University aims at promoting education in multi-disciplinary fields such as Engineering & Technology, Sciences, Social Sciences, Arts, Humanities, Management, Commerce, Law, Education, Paramedical Sciences, Computer Applications, Ayurveda, Pharmacy, Homoeopathy etc. It is also planning to start several new programs at Diploma, UG, PG and Doctoral levels in unique and emerging areas of knowledge in a big way. It has a galaxy of eminent educationists and visionaries on its board of governors. In order to impart quality education, it has also planned to take up several initiatives towards attaining "Excellence in Education".

VISION

Monark University will be an inclusive and engaged research-intensive university that inspires creativity through outstanding achievements in learning, with up to date curriculum and contemporary delivery to meet the demands of the global higher education landscape.

MISSION

Monark University is committed to engaging with the key issues of our natural and social worlds through outstanding teaching, research, and scholarship. Monark University will provide a vibrant and supportive intellectual environment that attracts and connects people from all over the world.
